Some dining services will be available for students during the summer. We encourage students to put some dining dollars on their student account during the summer to take advantage of these dining options. All dining dollars purchased during the summer will roll over into the 2016-2017 academic year. Additionally, any dining dollars a student puts on their account at or over $100 will get a ten percent bonus. For example if a student adds 150 dining dollars they would pay $150, but receive $165 dining dollars.

Dining dollars will be able to be used for the following dining options during the summer:

- Lunch will be served daily Monday – Friday from 11:30am to 1pm, with the exception of holidays.
- Meals other than lunch (breakfast, brunch, dinner and weekend meals) will be served intermittently when summer programs, camps and conferences are in session; this will be primarily June through August.
  - Meals will be served at TMC for the first part of the summer through beginning of June and customers will be able to order directly off of the menu. In June, meals will be served at the Dining Hall and will be all you can eat. Meal pricing at the Dining hall will be $5.50 for breakfast, $7.25 for lunch and $8.50 for dinner.
- Higbies will be open daily from 8am – 12pm, with the exception of holidays.
  - Beginning in June, Higbies will extend their hours until to 1pm.

Students signing up for summer housing can add dining dollars to their student account during the housing sign up process. Summer housing applications will be available at the Office of Residential Life beginning in April.

Students can also add dining dollars to their account by contacting Dining Services at 320-589-7016 or nemme011@morris.umn.edu.
